

Office 365 Data Loss Prevention (DLP) Specialist

The Challenge

Los Angeles Unified School District (LAUSD)'s Student Health & Human Services (SHHS) Division required a Microsoft 365 experienced and certified Subject Matter Expert/Professional Consultant to assist with configuration services for the Information Technology Division.

Client: Los Angeles Unified School District (LAUSD)

Location: Los Angeles, California (Remote Service)

Website: <https://achieve.lausd.net>

Our Solution

Accend's Professional Services team provided a Microsoft Certified 365 Subject Matter Expert (SME)/Professional Consultant to assist LAUSD with configuring Data Loss Prevention (DLP), Advanced Data Governance (ADG), Advanced Information Protection (AIP) and Governance (AIG) in Microsoft 365. Other areas provided were configuring Microsoft Endpoint Manager, Microsoft Intune environment for managing and securing corporate and BYOD devices, working with O365 Security & Compliance Center, Azure Active Directory to authenticate synced SSO user accounts, applying conditional access policies, enforcing device configurations, and managing user groups, including migrating on-premise group policy objects (GPO) to Azure Active Directory, integrating Microsoft Intune with Microsoft Defender ATP to detect and respond to security threats and enforce risk-based compliance policies, configuring O365 information classification and labeling, information barriers and supervision policies, and HIPAA data classification and labeling.

The Results

Accend provided an experienced and certified Microsoft 365 Subject Matter Expert/Professional Consultant with over 11 years of experience to assist LAUSD with their requirements. The Microsoft 365 SME was certified in Microsoft 365 Identity and Services, Mobility and Security, Security Administration, Managing Office 365 Identities and Requirements, and other certifications.

The Microsoft 365 SME also provided training to systems administrators and end users and knowledge transfer to the District support staff.
